NASPE/FLAGHOUSE STARS PIPELINE WORKSHOP GRANT PROGRAM

CALL FOR GRANT REQUEST

GRANT PURPOSE

To provide funding to reimburse the workshop fee for one teacher per school who has REGISTERED TO attend the STARS PIPELINE Workshop, Ft Worth, April 8, 2008, 8:00 AM to 12:00 noon. Schools interested in applying for the NASPE STARS recognition and feedback regarding the quality of their school physical education program are encouraged to attend to:

1. receive training for successfully preparing the portfolio of evidence required of STARS applicants;
2. learn more about what is expected of a quality physical education program.

This hands-on workshop that will provide the participants with all of the documents required to complete the STARS application process including application instructions, criteria, application form and samples/models of required evidence. Participants will have an opportunity to review samples of winning STARS portfolios and go through an exercise showing the process used by the review teams to score the portfolios. Strategies will be shared to help participants understand how to collect materials to be utilized as supporting evidence, effectively communicate program specifics through the narrative process, and efficiently organize all the materials (narratives, documentation, and supporting examples) necessary to present evidence of meeting the established criteria in a portfolio format.
